

LOCAL RULE BETWEEN THE CANADIAN PACIFIC RAILWAY COMPANY AND THE TEAMSTERS CANADA RAIL CONFERENCE – Division 510- Moose Jaw, SK (Locomotive Engineers, Trainman and Conductors)**1.0 Purpose of agreement**

This agreement will stipulate procedures for payment under the fixed mileage Method of pay outlined in Article 1.18 of the TCRC Locomotive Engineers Collective Agreement and Article 1.24 of the TCRC C/T/Y Collective Agreement.

2.0 Coverage

Locomotive Engineers, Conductors, and Trainpersons with home terminal Moose Jaw will be governed by the terms of this Agreement.

3.0 Specific Language

- 3.1 Clause 1.0 will apply to a Crew who commences a straightaway tour of duty and or dead head combo service in Moose Jaw or at any away from home terminal will be paid the fixed rate for that run if notice is not given to be in and off in 10 hours (Article 27.04 TCRC Locomotive Engineers - Article 29.05 TCRC C/T/Y), this includes being relieved en-route in all circumstances.
- 3.2 The \$80.00 premium payment provided in Article 27.12 TCRC Locomotive Engineers Collective Agreement and Article 29.13 TCRC C/T/Y Collective Agreement will apply for being on duty more than 10 hours regardless of class of service, deadheading or working if notice is not given to be in and off in ten hours.
- 3.3 A Crew that gives notice as provided in Article 27.04 TCRC Locomotive Engineers Collective Agreement or 29.05 TCRC C/T/Y Collective Agreement and does not make the objective terminal shall be paid in accordance with the Collective Agreement.
- 3.4 A Crew that does not give notice shall be subject to be in and off duty within 12 hours.

This Agreement is without precedent or prejudice to either party and can be cancelled upon seven (7) days' written notice by either party.

Signed at Moose Jaw, Sk this 26th day of January 2012.
